

**Declaration of intention for trustworthy management
Be concentrated in good governance persistent organisation**

In the status of province government of Amnatcharoen province, we declare the intention that one must be honest, be faithful in nation, religion and the king. We are going to manage and work with good governance. Our organisation resists every way of corruption that ruin with citizen and our community. We wish to take the Philosophy of the Sufficiency Economy to lead our life, and we will be diligent, economize honest inhabitants and be brave to do the right thing.
